

## Aldershot Handicap Cup Rules for 2016/17 Competition

For illustrative purposes player A will have handicap 43 B 44 C 32 X 24 Y 16 Z 14

Throughout the match if scores, after handicap adjustment, are equal then it will be half a point each.

Throughout the match the maximum start is 25

### Singles

Three games up to 11 starting from 0-0 but must be two clear.

No change of end in the third game

### Examples

A v X handicap  $43-24 = 19$  added at end of three games.

B v Y handicap  $44-16 = 28$  but maximum start is 25 so 25 is added at the end of three games

### Doubles

Three games up to 11 starting from 0-0 but must be two clear.

Turn around in third game when the higher ranked team reaches 5.

### Examples

B & C v Y & Z – add 44 & 32 and 16 & 14. 76 & 30. Subtract to get 46 and then half for handicap ie 23

A & B v X & Y –  $(43+44) - (24+16) = 47$  .  $47/2 = 23.5$ . Keep the .5 so handicap is 23.5

What happens if it is 6-6.

### Tiebreakers in order

- 1) Total all end scores for all 12 games and the winner is the team with the greatest points.
- 2) The away team wins.
